⚠WARNING:

Serious or fatal crushing injuries can occur from furniture tip-over. To help prevent tip-over:

- Place heaviest items in the lowest drawers.
- Unless specifically designed to accommodate, **do not** set TV's or other heavy objects on the top of this product.

•**Never** allow children to climb or hang on drawers, doors, or shelves.

•**Never** open more than one drawer at a time.

Use of tip-over restraints may only reduce, but not eliminate, the risk of tip-over.

•Always monitor your child's activity when in the nursery.

•**Do not** allow standing in drawers.

•**Do not** allow standing on top of this product.

•Accessory Items must be securely fastened to this product according to the instructions provided with those items.

•To avoid head injury, do not allow children to play underneath open drawers.

•Do not leave drawers open when not in use.

NOTES ON ASSEMBLY:

-During the assembly process whenever using screws or bolts, check each by placing the screw/bolt on the diagram of the item which is drawn actual size and design. Be sure to use the proper size and shape specified in the instructions.

-To assemble this unit you may be required to place the unit on its side and face. It is strongly recommended that assembly is done on a soft, non-abrasive surface to avoid damaging the finish.

NOTES ON CARE AND MAINTENANCE:

- **Do not** scratch or chip the finish.

- Inspect the product periodically, contact delta children's products for replacement parts or questions.

- **Do not** store the product or any parts in extreme temperatures and conditions such as a hot attic or a damp, cold basement. These extremes can cause a loss of structural integrity.

-To preserve the luster of the high quality finish on your product, it is recommended to place a doily or felt pad under any items you place on the finish.

-Clean with a damp cloth, then a dry cloth to preserve the original luster and beauty of this fine finish.

-**Do not** use abrasive chemicals.

-**Do not** spray cleaners directly onto furniture.

-Lift slightly when moving on carpeting to prevent leg breakage.

-Use of a vaporizer near furniture will cause wood to swell and finish to peel.
